

# SPANISH IN FLORES

Our school in Guatemala is located in a beautiful centre of the small town of Flores.

The idyllic island of Flores, in the midst of Guatemala's Lake Petén Itzá, is a tropical dream just waiting to be discovered.

This slow-paced village, with its 2000 inhabitants, caribbean sensibility, and winding cobblestone roads offers an endless spectrum of natural, cultural and historic treasures appealing to all the senses. Everything's possible here! Explore the Guatemalan jungle in search of exotic wildlife, sunbathe in the sun setting over the magical beaches of El Remate, or attempt to climb one of the towering volcanoes. You can even volunteer at the Arcas animal rescue centre, taking care of endangered animal species! The Mayan sites of Tikal and Yaxha are also just a stone's throw away, making Flores the ideal starting point for an exploration of the world of the ancient Mayas.

The Republic of Guatemala is located in central America, nestling between Mexico, Belize, Honduras and El Salvador. It is characterised by its tropical rainforests and warm and humid climate with year-round average temperatures of 25 - 35°C. The majority of Guatemalans are indigenous, descendants of the Maya, with a colourful culture in which the ancient rituals are clearly embedded. The people are warm and friendly, very open to foreigners and willing to share the vibrancy of their country.

Our team at Sprachcaffe will ensure that your Guatemala experience is truly unforgettable. Be it a butterfly-spotting hike through the forests, boat trips to the neighbouring villages, or chats with the locals on the medicinal plants they grow in the area - we will help turn the dream that is Guatemala into a memorable reality.

## SCHOOL INFORMATION

Our school in Flores is a charming terraced house - typical of the region. It is just a few minutes away from the host families and student accommodation, souvenir shops, bars and restaurants. Across a 500m-long bridge is Santa Elena, the neighbouring village, where a traditional marketplace and cinema can be found. Lessons are held by local teachers in little groups of 4-5 students, ensuring all the individual attention you need. In the afternoon you can enjoy a light lunch in the school restaurant, or while your time away relaxing on the terrace, waiting for the evening slideshow on Mayan culture and student party to kick off. At Sprachcaffe there's always something to do!
