Discover London – the centre of Europe, its culture and way of life by visiting our language schools.

If one thing is certain in life, it is that you will never be bored in London! Just take a look at "Time Out", the 'daddy' of all city-listings magazines to see the thousands of events and activities held in the city every week. Fancy a night-out at the theatre? No problem – London is the world's theatre capital. Or what about a night out clubbing? Take your pick – London has one of the largest club scenes in the world. There are so many events going on at the same time in London that to take part in just a fraction of them would be impossible! What about a visit to one of the famous museums? Or maybe dinner in a fancy restaurant? Indian, Chinese, West African, Indonesian,

Mexican – the choice is endless. Over the centuries the city has embraced so many cultures from around the world that a visitor simply cannot take all of them in. But then again, does it come as a surprise that London presents such a vibrant and colourful picture when one third of the world was once influenced by the British Empire? Throughout the year students have the option to participate in an extra-curricular social programme organised by our social activities organiser. In the summer months, many students spend their time in the local parks – which feature a beautiful array of flowers and ponds. Sports activities can also be enjoyed, with many of the parks offering tennis courts, cricket pitches and woodlands – ideal for walking or cycling.
